

MARIST'S 2013-2014 IN-KIND DONOR LIST

During the 2013-14 school year, over 400 individuals and businesses donated in-kind gifts to Marist. These gifts represent needed supplies or services that Marist otherwise would have paid out of its operating budget, and thousands of dollars raised through the Marist Auction. We are grateful for the generous support of the many donors who gave this past year. **Thank you!**
